## For Your Information:

### Christmas BBQ

The Christmas BBQ and trophy presentations were held at the AIF Smallbore Range on Sunday 19 December and an excellent lunch was provided and enjoyed by all.

Congratulations to Ron Tunks for earning the Clubman Award for 2010, presented by VP Gilbert Steenhuis. Pictures and a video can be seen on the website.

## Your Business is our Business!

**Members' Business** - If you are a club member and either own a business or are employed by a business you can register that business on the club website with a link to your existing business website or, for a small donation, a page can be built for your business.

**Friends of T03** - Club members can also nominate other businesses that have demonstrated friendship to the club by provided services, discounts or goods to the club.

Forms are available online, from the secretary or from the AIF Range clubrooms.

## Mitchell Range Development

A Development Application Form for the Mitchell Complex was submitted to Council in the first week of March and hopefully the planners will see merit in our proposals. Covered firing lines (1, 4 and 7), storage facilities (2 and 9) and adequate shelter are key aspects of the submission. The shelter (9) is basically a standard carport between two shipping containers. The existing shelter would be dismantled.

Plans are also well under way for permanent benches on Range A's firing line.

### Loo-care

The toilet facilities at the AIF range have been completed. Thanks to all concerned for their efforts over the last few years – it has been a massive project. Please remember that it is a septic system and only "appropriate" material should be deposited. Please remind visitors and guests of the systems requirements.

### Reminders in Brief

- Mitchell Range will only be available for practice on the 1<sup>st</sup> and 3<sup>rd</sup> Saturdays from 10 am. Other Saturdays are reserved for the assigned disciplines only.
- 2010 white shooting cards should have been submitted to firearms Services.
- Save money and buy a shooting card.
- Don't over tighten the bench rests
