Some members have reported receiving emails stating that they still owe \$28 of their SSAA membership fees. This is a scam so do not send your hard earned!

Reminder that for safety reasons and range etiquette **mobile phones are not to be taken to the firing line.** Don't need a phone going off if you are waiting for a buzzer!

Visitors – Members Range Fees

While T03 welcomes visitors and new shooters and offers free shoots for first-timers, it is not appropriate that non club members enjoy the same range fee structure as members who have had to pay membership fees on top of range fees. Therefore:

From 1st January 2012

- **Members** of SSAA (any club) or any recognised Sport or Target Shooting Club presenting with a current club membership card are entitled to pay the **normal range fees** as posted.
- Persons presenting at rifle shooting events who are **not members** of SSAA or other recognised Sport or Target Shooting club will be required to pay a flat range fee of **\$20.00, Juniors \$5.00**.
- Junior shooters cannot claim range fee discounts if the parent / guardian is not a SSAA or other Sport or Target Shooting club member.
- Persons presenting at handgun shooting events who are not a current member of a recognised **HANDGUN** club or do not have an exemption or minors permit will not be entitled to shoot.
