For Your Information:

Santa Did It Again

The 2012 Christmas BBQ and trophy presentation day was once again enjoyed by all. Thanks to everyone who contributed and participated.

Fine food and definitely carols next year!

A sunny day and the crowd applaud the prize winners.

See overleaf for trophy winners

Congratulations to Paul Durkin, recipient of the Clubman Award for 2012

Participation Cards – A Reminder

They are available at the Mitchell Range. Make sure your 2012 cards are posted in. It might pay to photocopy them first.

Working Bees

Thanks to all those members who attended working bees at both ranges. At the AIF Range concrete at the 50m firing line has been completed, two permanent bench rests have been installed and a myriad of tidy up jobs have been completed. There will be a working B at the Mitchell Range on Sat 30th March, 10.30.

Championships

There are quite a few State competitions planned in 2013 for both rifle and handgun. Check the website or the SSAA journal for more information. If anyone can assist in the running of the RMS Championship on the 9-11 March at the AIF Range, please contact Shane.

Juniors

The Junior Program has started and again proves to be popular. If any members know of any juniors 12 -17yrs who may be interested in shooting please bring them to the Saturday shoots – check the roster. They will have to apply for a Minors Permit before they can shoot but that is a simple process and costs about \$22.00.

IPSC Invitational

Twenty one keen shooters turned up for an IPSC Invitational competition at the Mitchell Complex on Saturday 9th February. Craig Parker and a team of helpers set up the ranges the day before and Craig and John Breen camped the night to guard the props. Shooters from all over the state appreciated the opportunity to use new targets recently purchased by the club.

The Barrel tested the flexibility of most shooters.

Unfortunately, the council rejected our request for another container at the Mitchell Complex and storage continues to be an issue.

Security Training

More corporate groups in the community, such as Armaguard, are making use of the near proximity of our ranges.

Blue Hills

Despite being badly affected by fire, most disciplines apart from FR, are still operating and others will be resuming soon. Check with discipline captains.
