## For Your Information:

### Merry Christmas & Happy New Year

The President, Executive and Committee would like to wish all members and their families a safe and happy festive season. 2014 witnessed the inclusion of many new members and sustained growth is expected in 2015. Thanks to all volunteers and those who achieved so much at Working Bees on both ranges.

**Santa's On the Way!**

Remember to mark **Sunday 14th December** on your calendar for our end of year function and presentation. This is always a wonderful opportunity to enjoy good company and food. Lunch and cordial are provided but you need to bring your own grown up refreshments. Please indicate on the posters, available at both ranges, if you can come. Denis, Lisa or Bill would like to hear from anyone who can supply a dessert and/or make a donation for the raffle. **See you there!**

### Range News

The AIF Range was recently inspected by a TAFE agent of Firearms Services. The Club hasn't received a full report but some changes will be required. There will also be some changes to target positioning to meet the specifications required to stage the 2015 National Challenge. The Club made an application to SSAA State for a grant to help cover the costs.

The final clauses to the Mitchell Range lease are being negotiated and hopefully the *Interim Planning Scheme* will be signed by the Minister very soon. This will allow the Club to make a planning application for the *Shelter and Storage Project*.

## Continued Support for Working Bees

Much was achieved at the Mitchell Range on 29<sup>th</sup> Nov. continuing the excellent work done by volunteers on both ranges.

## Community Use

It is pleasing to work with community and business groups who continue to use the Club's facilities which are conveniently located. Recently *Armguard* trained its staff for the fifth year at the Mitchell Range.

### Participation Cards – A Reminder

Participation cards for handgun shooters - Firearms Services will not mail these out to individuals unless requested. They are available at the AIF and Mitchell Ranges. It's getting close to the end of another year so make sure your card is up to date and posted. It might pay to photocopy it first.
