Range News

Representatives of T03 recently had a productive meeting with members of GCC staff. Progress is being made in fine tuning the Mitchell Range lease. Once that is signed, negotiations will commence on the AIF lease which expires in 2016. Work continues on the *AIF Onwards Project* in readiness for the *National Junior Challenge* and as a response to the recent range inspection. The Club made a successful application to SSAA State for a grant to help cover the costs.
