## For Your Information:

### Welcome to 2016

2016 shapes up as another year of growth and development for the Club. The \$55,000 *Mitchell Range Shelter and Storage Project* should be completed in the next month or two allowing for attention to be given to the AIF range which is due for urgent repairs to the roof and covered RMS firing line. A lease renewal is due later in the year. Be safe and shoot straight!

2015 Participation cards for handgun shooters should have been submitted to Firearms Services by now.

### Santa Salutes Top Shooters

*Mike, Maz, Denis and crew provided yet another excellent feast!*

The 2015 Christmas BBQ and trophy presentation day was once again enjoyed by all. Thanks to everyone who contributed and participated.

A well fed crowd enjoyed the sunshine to witness presentations to our best shooters. Western Action was included for the first time and thanks to Paul for organizing and making trophies.

*Bill is the first recipient of the T03 Service Award.*

This award is presented to one or more non-committee club members who have been nominated by another club member for exceptional voluntary service resulting in a significant enhancement of more than one of the following for a significant number of members;

Safety, Participation, Social, Shooting Excellence, or Other Significant Aspect of Club Life.

2016 Nominees should be submitted before the 2016 November committee meeting.

### I.N.D.I.A

A reminder, the AIF Range will be opened on Wednesday nights from 7pm for Introductory and New shooter tutoring. It will also offer Development, Instruction and Advancement for existing shooters. Contact Shane for more details.

## Range News AIF

*Firing line gets the finishing touch.*

Having been started for last year's National Junior Challenge, the AIF Range 25m firing line has been set in concrete thanks to the hard work and perseverance of Shane and his crew.

**Mitchell**

*All weather firing lines are well under way*

It has been a long journey but the end of the MR Project is finally in sight. Two new containers are in position and twenty piers are in place. The slabs should be poured in March, with the kits assembled shortly after.
