Range News

Mitchell Range - Cover at Last!

After more than eight years planning, the *Mitchell Range Shelter and Storage Project* is nearly complete, providing two new containers, concrete pads and cover for the three firing lines. This has been a *Strategic Plan* priority and can now be enjoyed by the members. Rain, hail or shine, the range will be open.

Two new containers and three covers.

All weather comfort.

AIF Smallbore Range

The AIF Range lease is due for renewal at the end of this month. At a recent meeting with GCC it was decided to delay the renewal until the *Tolosa Park Master Plan* has been ratified. Completion of the plan has been delayed while TasWater finalises plans regarding dams and water storage issues. The current lease will be extended for this period and shooting will continue as normal.

Thanks to all the members who attended the working bee at the AIF Range on Sunday 29th May.

The "Tassie 360"

The 2016 Rifle Metallic Silhouette State Championships for Rimfire Rifle and Air Rifle were held at the AIF Range on March 12th – 14th 2016. This event attracted interstate competitors as well as local shooters.

Twenty one shooters competed for titles in Silhouette, Hunter, 2 Gun, 3 Gun, and Air Rifle classes.

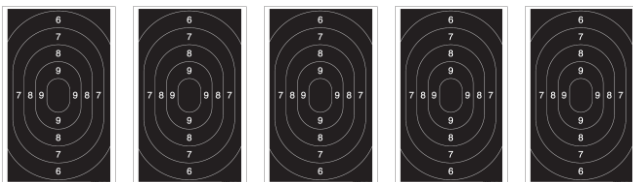

Dann Suthern (above) from Snowy River Branch (NSW) won all titles but was hotly pursued by locals Nigel and Justin and David True from ACT.

New Discipline

Thanks to Frank for introducing a new handgun discipline – 25m Rimfire Rapid Fire. Shooting two lots of five rounds at 8, 6 and 4 seconds on 5 separate targets using a rimfire with one hand only is quite a challenge. Next shoot is 18th June at 12.30 pm.
