## For Your Information:

### Welcome to 2017

2017 looks like being another big year for the club and our shooting sport in general. New, yet to be announced, storage regulations will come into effect later in the year and members' interests were well represented by detailed impact statements submitted by SSAA Tasmania Inc, T03 Glenorchy and various other groups and individuals.

Ownership of the Tolosa Park dam has recently been transferred from TasWater to the GCC. T03 Glenorchy will be keenly participating in the consultative stage of the *Tolosa Park Master Plan* to ensure that members continue to have access to all the facilities that they currently enjoy.

Much needed work on the Mitchell Range access road should begin early in the year and the club is looking forward to hosting the 2017 SSAA Tasmania Junior Challenge on the 13<sup>th</sup> – 14<sup>th</sup> May.

### Santa Greets Top Shooters

*Mike, Maz, Shane and crew provided yet another excellent feast!*

The 2016 Christmas lunch and trophy presentation day was once again enjoyed by all. Thanks to everyone who

contributed and participated especially Paul for making and supplying trophies.

*A well-fed crowd enjoyed the sunshine to witness presentations to our best shooters.*

*Ronnie had a terrific year and collected many awards.*

### One Ticket – One Chainsaw!

*Mike presents Ray with his prize!*

Ray won the 2016 major raffle prize of a chainsaw generously provided by Roberts Don Mac. Please support them. Thanks to Mike for organising the raffle which raised several hundred dollars for the club.

## 2017 SSAA Tasmania Junior Challenge

13th – 14th May

SSAA Glenorchy is pleased to host the *2017 Tasmania Junior Challenge*. All SSAA junior members (12 years old to under 18 years old) are encouraged to participate in this event. The Tasmanian Junior Challenge is comprised of three core rimfire rifle disciplines – 3 Positional, Rifle Metallic Silhouette (RMS) and Field Rifle.

More details and a nomination form can be found at both ranges or the national and club websites.

### Clay Day

The response to a proposed Clay Shooting Day for T03 members was very positive and will be arranged in the near future. Please monitor range noticeboards for more details.

### ANZAC Day

Please note that the benchrest shoot at the AIF Range scheduled for 25<sup>th</sup> April has been cancelled.

### IPSC Later Timeslot

IPSC will now start at 11am on the usual second Saturday of the month. Because the discipline is gaining popularity, it needs to expand onto a second range and will use the B Range after Western Action finishes at noon. IPSC will continue into the afternoon.

### Holster Proficiency Test

1<sup>st</sup> April 2017 12 O'clock

For more information, please ask for a copy of "Heads Up on the Holster Proficiency Test"

Booking and Contact info is Essential and may be placed on posters located at both ranges.

### No Jacketed Ammo

Shooters at the Mitchell Range are reminded that the use of jacketed ammunition is prohibited. Copper wash and copper plate ammunition can be used.

### Working Bees

Working bees are scheduled for the Mitchell Range on Saturday 29<sup>th</sup> April and the AIF Range on Sunday 30<sup>th</sup> April, both starting at 10am. It takes a great deal of time and energy to maintain both sites and recent support for working bees has been disappointing which has left all the work to the same small group. Please help.

## New Cowboy Props and Targets

The club recently acquired new Single Action props and targets. Thanks to Ray for arranging the purchase and manufacture.

A variety of targets aims to please the cowboys!

### Participation Cards – A Reminder

Participation cards for handgun owners should have been submitted with Firearms Services by now.

### Property Please

The committee is updating the register of club property. If you have club property in your possession, please forward details to Paul or the secretary.
